

YOUR PEOPLE ARE GENEROUS. MAKE GIVING TAKE FIVE SECONDS.

A 4-inch tap plate on the back of every seat. Someone taps their phone, your giving page opens, and they give in the moment.

EMPOWER GENEROSITY & CONNECTION

- ✓ Cash and checks keep shrinking. The moment to give has not.
- ✓ The phone is already in their hand.
- ✓ Guests can give without learning your systems.
- ✓ Works mid-service, at the welcome desk, or on the way out.
- ✓ Re-point the plates to a new page anytime.

OUR NFC TAP PLATE

- ✓ 4 inches (100 mm), printed with your logo
- ✓ Durable double-laminated PVC
- ✓ 3M adhesive back, or screw holes
- ✓ Passive chip. Nothing to charge

The plates point at the giving page you already use.
We sell the hardware. We never touch your donations or data.
